### LD451\_15 LD451\_30

The LD451 basic module allows you to effectively arrange four rooms and the kitchen giving a comfortable living space for a family of 2 + 1. This houseA may serve as a guest house, summer house, or with the additional modules it can turn out to be an ideal regular house. The elements "hollowed" in the block such as roofed entrance and deck are finished with wooden panels. The version with 30' roofs has a possibility of converting the attic.
